Fiscal Year 2011 Project Requests (Interior, Environment, and Related Agencies)

Project Name: Edgewood Commercial District Sewer LID No. 1

Amount: \$970,000

Recipient: City of Edgewood

Address: 2224 104th Ave East

City: Edgewood

State: Washington

Zip: 98372

Explanation: This project will complete design and construction of sewer mainlines and pump stations in the City of Edgewood. This is a good use of taxpayer funds because this sewer infrastructure will enable property owners to replace potentially hazardous septic systems, thus preserving and protecting the water quality and healthy drinking water in the lakes, creeks, aquifer recharge areas, and wetlands in Edgewood and the surrounding region.
